

FRONT | BLACK | 10 × 4.5-IN. VIEWPORT

REAR | FIXED TRI-HANDLE SYSTEM

NIJ IIIA 17 LB | NIJ III 35 LB
24 × 36 IN. | VIEWPORT 10 × 4.5 IN.

TACTICAL ENTRY | TEAM MOVEMENT
OFFICER RESCUE | EXTENDED COVERAGE

EXTENDED COVERAGE FOR COORDINATED ENTRY

Extended protection designed for coordinated tactical movement. The 24 × 36-inch profile and 10 × 4.5-inch viewport support tactical entry, team movement and officer rescue while maintaining handheld control.

HANDHELD CONTROL SYSTEM

A fixed triangular handle, high-density foam forearm pad and operator-releasable retention strap provide secure handheld control. The hook-and-loop strap anchor permits deliberate release if shield control is compromised.

CONFIGURATION

STANDARD

BLACK OR OD GREEN
FIXED TRIANGULAR HANDLE
FOREARM PAD
OPERATOR-RELEASABLE STRAP

AVAILABLE OPTIONS

1000+ LUMEN LIGHT
CARRY BAG

MADE IN THE USA | SINCE 1998 | 10-YEAR LIMITED WARRANTY
