BODY DEFENSE SHIELD

EXTENDED COVERAGE | TACTICAL PROTECTION

FRONT | OD GREEN | AGENCY IDENTIFICATION

REAR | FIXED TRI-HANDLE SYSTEM

NIJ IIIA 18 LB | NIJ III 36 LB
22 × 43 IN. | VIEWPORT 10 × 4.5 IN.

TACTICAL ENTRY | FULL-BODY COVERAGE
TEAM MOVEMENT | OFFICER RESCUE

EXTENDED BODY COVERAGE FOR HIGH-RISK MOVEMENT

Extended body coverage and a wide viewport support tactical entry, coordinated team movement and officer rescue. The 22 × 43-inch handheld profile balances protective area with controlled movement through corridors, doorways and confined interior spaces.

HANDHELD CONTROL SYSTEM

A fixed triangular handle, high-density foam forearm pad and operator-releasable retention strap provide secure handheld control. The hook-and-loop strap anchor permits deliberate release if shield control is compromised.

CONFIGURATION

STANDARD

BLACK OR OD GREEN
FIXED TRIANGULAR HANDLE
FOREARM PAD
OPERATOR-RELEASABLE STRAP

AVAILABLE OPTIONS

1000+ LUMEN LIGHT
CARRY BAG

MADE IN THE USA | SINCE 1998 | 10-YEAR LIMITED WARRANTY
